## Tournament History & Information

Established in 2007, the Wintzell's Golf Classic is a four-person team scramble held annually at Lakewood Golf Club, an exquisite setting along the eastern shore of Mobile Bay. The tournament is the single biggest fundraiser of Wintzell's Oyster House, having raised over \$300,000 in scholarship funds for the college-bound finalists of the Distinguished Young Women program. Wintzell's owners Bob and Buffy Donlon started the tournament to further support the organization and its mission.

This year the Wintzell's Golf Classic will expand its reach and its promise to giving back by supporting the Distinguished Young Women program as well as Big Oak Ranch. We invite you to join us in embracing these two great Alabama-based organizations.

Distinguished Young Women (formerly America's Junior Miss) is the largest and oldest national scholarship program for high school girls. Founded in 1958 in Mobile, Alabama, the program seeks to positively impact the lives of young women across the country by providing a transformative experience that promotes and rewards scholarship, leadership and talent. In addition to cash scholarships, participants from all 50 states will be eligible for college-granted scholarships from colleges and universities nationwide.

## Big Oak Ranch

A Christian home for children needing a chance children's home in America

Former University of Alabama football player John Croyle and his wife, Tee, have seen their dream of building the best grow into three separate facilities in northeast Alabama. John founded the Ranch in 1974 and since then, has met the needs of nearly 2,000 suffering children by giving them a solid, Christian home and a chance to fulfill God's plan for their lives. The Ranch continues its impactful ministry under the leadership of the Croyles' son, Brodie, and daughter, Reagan.

Founded as a six-stool oyster bar in 1938 by J. Oliver Wintzell, Wintzell's Oyster House celebrates its seventy-seventh year and is joined by ten additional Wintzell's locations, reaching from the Gulf Coast to central and northern Alabama. While oysters—fried, stewed and nude—headline the iconic brand, Wintzell's menu comprises signature seafood dishes, regional favorites and specialties native to Mobile. The walls of all Wintzell's restaurants are covered with the founder's homespun sayings, delivering an atmosphere that's lively, casual and unmistakably southern.
